"Education is the movement from darkness to light."

-Allan Bloom

Consultise Consulting Solutions Private Limited is a specialist solution provider in Training & Business Consulting. Our cross disciplinary services enables us to be a complete integrated business consultancy solution provider. We are experts in designing, delivering and managing quality learning. We give our clients the competitive edge in an ever changing world.

TRAINING

Training is the acquisition of Knowledge, Skills, and Competencies as a result of transfer of practical skills and knowledge that relate to specific useful talents. Training has specific goals of improving one's Capability, Capacity, and Performance.

We have developed a range of training modules, suitable for corporations and individuals. We help our trainees to discover their true inner potential and achieve their desired goals, while having fun along the way. Exploring the essence of inner self and utilizing inherent talents to scale new heights, is what we do by believing YES! YOU CAN!

Education & Employability Solutions

The challenges that face us in modern life are numerous and complex. In order to deal with them successfully our fresh graduates / college passouts must be fully equipped, well-rounded, and focused on their proposed paths to success. Academic studies are the primary part of grooming an individual for life ahead; however they are not the "whole package yet". Some of the most significant changes has to occur in the area of personal development and can be facilitated through our following programs:

- Pre-Prep Training
- Soft Skill Development
- Campus To Corporate
- Life Skills Workshop
- Effective Presentation
- Career Mapping
- Building Positive Attitude & Self Confidence
- Personality Development, Etiquettes & Grooming

Our Exclusive Programs

Our Training programs are delivered by dynamic facilitators. Our professional skills training encompasses an interactive environment, focusing on communication through writing, presenting, facilitating, negotiating & influencing.

The following unique programs have been created after a decade of research in the field of human behaviour:

- **Smart Students** ▶ Program for school students.
